# Can you...?

### Language point

Can (ability)

### Aim

To practise using CAN for ability.

### Activity

Students complete the chart by asking and answering questions.

### Organization

Whole class

### Preparation

Make enough copies of the activity for the number of students in your class.

### What do I do?

- 1 Hand out the activity.
- 2 Students write their own name in the first box in the "names" column and write "yes" or "no" for each question.
- 3 Students mingle and ask the same questions to the other students until their chart is complete.
- 4 Feedback as a class, asking questions such as "Who can swim?", "Can John ski?".
